Welcome to all ACCWA Clubs and other State Association travellers.

You are very welcome to join ACCWA in Geraldton 2025.

This is a really newsy information sheet:

Planning is well underway for April 2025 with 74 members already expressing plans to attend. List this as a Club rally at your next meeting to ensure insurance cover is provided by ACCWA.

Registration in September

Registration Forms giving details of all events and costs will be sent to all Clubs in September so watch out for your Secretary's email or have a look on our ACCWA website later in September. Pets are welcome.

Tag-a-long on the way up and back

Many Clubs have or are planning a tag-a-long and including the Geraldton Rally as the middle of their trip so it is suggested Clubs now make their bookings.

Off the main road sites like inland towns, farmstays and low cost stays are proving popular already. Use our advertisers for your destinations.
